Learning Community Council Committees

**Enrichment:** Help brainstorm, plan, and provide feedback on important initiatives such as Research Connections and LC Day of Service

**History:** Record and catalog LC traditions and news, write content for the website and emails, work as staff for the My First Year Story Podcast

**Innovation:** Brainstorm and plan activities which connect students with the innovation and maker culture at UConn

**Marketing:** Curate and implement LC communication plans, social media campaigns and event promotions

**Outreach:** Act as liaisons to each LC, identify key projects and activities which will improve the LC experience, plan the spring LC Summit, encourage inter-LC interactions

**Recruitment:** Support us at Fall Open Houses, the LC Showcase, and other recruitment events and initiatives

**Social Affairs:** Promote community development through our annual traditions like Field Day and LC TALKS

**Student Leadership:** Serve in hands-on support roles for Floor Mentors and other student leaders, provide feedback for training programs, create activities which promote leadership development
